# PINJARI MOHAMMED

**Data Analyst | ERP / PHP Developer**

Hyderabad, India | 9603772352 | mohammedayaian@gmail.com | linkedin.com/in/pinjari-mohammed-2ba1b8294

## PROFESSIONAL SUMMARY

ERP/PHP Developer with 1 year 8 months of experience building business intelligence dashboards, KPI scorecards and field operations reports for power distribution clients. Strong in MySQL, Python (Pandas, NumPy) and Power BI, turning raw operational data into reports that business teams use daily. Seeking a Data Analyst role.

## TECHNICAL SKILLS

**Databases:** MySQL (complex joins, UNION ALL, aggregations, report queries)

**Analytics & BI:** Power BI, Python (Pandas, NumPy), Chart.js, KPI scorecards, data visualization

**Programming:** PHP, JavaScript, Python, SQL, HTMX, REST APIs

**Reporting & Tools:** PhpSpreadsheet (Excel export), mPDF (PDF reports), Leaflet.js (map views)

## WORK EXPERIENCE

**ERP / PHP Developer, Bharat Smart Services (BSS), Hyderabad** *2025 – Present*

- Worked on the company ERP system, building and maintaining the CRM, HR and Purchase modules using PHP and MySQL.
- HR module: developed the monthly attendance register and attendance reports.
- Purchase module: developed the vendor evaluation (tender evaluation) screens with vendor-wise marks.
- CRM module: developed forms, list screens and reports.
- API development: created PHP APIs (webhooks) so websites and mobile apps can send and receive data.
- Integrated website and mobile app backends with PHP and saved the data into MySQL databases.
- Wrote MySQL queries for reports and added Excel and PDF export.

## PROJECTS

**IPL 2025 Dashboard** *Power BI*

- Designed an interactive Power BI dashboard analysing IPL 2025 team and player performance.

**Zomato Online Orders Analysis** *Python, MySQL*

- Cleaned and analysed online order data with Pandas and NumPy, stored it in MySQL and queried it for ordering trends and insights.

## EDUCATION

**B.Tech, Electrical & Electronics Engineering (EEE)** *2025*

Dr. KV Subba Reddy Institute of Technology (JNTUA) | 73.36%

## CERTIFICATIONS

- Data Analytics Job Simulation, Accenture (Forage)
